Dumaguete – Philippines

ATMOSPHERE RESORTS & SPA

Special Group Departure

The Republic of the Philippines lies off the south-east coast of the Asian mainland. It is an archipelago of 7,107 islands and islets. With so many islands, the Philippines have a huge range of opportunities for diving and snorkelling. The marine sanctuaries lining the Dauin coastline house some of the world's rarest critters. Whether you are a novice or experienced diver, you will be sure to find some new and exciting species here.

Invertebrates from the tiniest transparent shrimp and neon-coloured nudibranchs to huge basket sponges, anemones, sea cucumbers, starfish and worms reside with vast numbers of hard and soft corals and gorgonian sea fans. Turtles, octopus, cuttlefish, manta rays, eagle rays and sharks make guest appearances.

Apo Island is a short boat ride away from Dauin. A jewel in the Philippine Sea, this small island has been a marine protected area since 1982. It is a scuba diver's heaven, its walls and reefs densely covered with an incredible variety of hard and soft corals home to all kinds of marine life in amazing numbers.

Throughout your holiday, Indulge yourself and surrender to luxury at Atmosphere Resorts & Spa. The stunning resort has 44 suites and enjoys a spectacular beachfront location alongside the warm coastal waters of the Philippine Sea.

For those seeking a complete wellness experience, escape to the Sanctuary Spa. This award-winning spa promotes physical and mental relaxation in a tranquil tropical setting with a variety of treatments.

Whether you want to scuba dive, immerse yourself in the enchanted spa, practice yoga, or simply read a book by the pools, you can look forward to an unforgettable stay. Atmosphere Resorts & Spa has it all!
